

Certificate of Approval

This is to certify that the Management System of:

Thomas Broadbent & Sons Ltd

Queen Street South, Huddersfield, HD1 3DU, United Kingdom

has been approved by Lloyd's Register to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 0002677

The scope of this approval is applicable to:

The design, development and manufacture of industrial centrifuges and solid-liquid separation equipment for the process industries. The specification and procurement of laundry and ancillary equipment. The installation and commissioning of equipment, the procurement and supply of spare parts and provision of field service. The servicing and repair of Broadbent and non-Broadbent centrifuges, the refurbishment and sale of used centrifuges and associated machinery.

David Derrick

Area Operations Manager UK & Ireland
